

Bug Report

in list [To Do](#)

Description

[Edit](#)

The "Play again!" button should be at the bottom of the screen as an option to choose after pressing the "DUEL!" button.

Steps to reproduce:

1. Navigate to localhost:3000 page.
2. The "Play again!" button is noticeably placed in the middle of the game.

Expected Results:

- View the button at the bottom of the rest of the content.

Actual Result:

- Button is in the middle of the content

Environment

- Chrome V96
- Windows 10
